Ok. First things first. Top Pcmac Reviews Fun but expensive I love the game, but it becomes expensive to play. Most tutorials on the web recommend the Bluestacks app and I might be tempted to recommend it too, because you are more likely to easily find online solutions if you have problems using the Bluestacks app on your computer. After installation, click "Open" to start using the Charm King app. It just seems that the developers could set a switch once a player has spent a large sum so they can gain difficult levels after a large number of failed attempts, say 50, and leave the now impoverished player who loves the game to keep moving through. I've been playing this game for years and over that time I've spent hundreds of dollars as this scenario takes place over and over again.
